

Welcome to DojoLink™ Martial Arts Management System

Simple Design. Easy To Use. Smart, Proven Functionality.

DojoLink™ is a browser based martial arts management solution that runs in a standard internet browser, such as Microsoft Internet Explorer™, with no software to install.

DojoLink™ allows martial arts school owners to focus on managing and growing their business rather than managing software.

DojoLink™ Features...

- Manage students across multiple schools
- Prospect management
- Single or recurring class and event scheduling
- Extensive reports in pie, bar, and table formats
- Manage one or all schools from one area
- Manage employees in multiple schools from one area
- Automated birthday notification
- Secure personalized student website
- Public website for your business (optional)
- Attendance tracking
- Promotion management
- Association fee tracking and accountability
- Internal staff messaging and tasks assignment
- Daily statistics and tasks
- Campaign and territory tracking
- Permission management
- One-click student transfer between schools

Benefits To You...

Student Management With Ease...

Easily manage your student's attendance, communication, purchases, certification and personal logs from one consolidated area.

Account Management (Billing)...

One easy module to manage your student and employee charges and payments. Easily print or email bills for one or multiple accounts.

Streamlined Prospect Management...

Color-coded workflow steps, action history, and campaign management will streamline and increase prospect conversions ratios.

Document Merge (Mail Merge)...

Merge your student, prospect, or employee information to customize documents, such as welcome letters, student contracts, and more.

Kiosk (Scanner/Barcode)...

Track attendance with a scanner or manually enter the last name or ID. Print barcode labels for ID cards.

Downloadable Reports...

Easy-to-read reports come in graphical and table format, and are designed for direct printing or data export for labels and letters.
